

Today

- I. Last Time & One Comment on the Critical Point
- II. Antu's Guest Lecture on Boltzmann Statistics and the Canonical Ensemble
- III. An Important Conversation
- IV. Lighthearted Video

- I. Logistics: Wonderful opportunity: Lorenzo Gavassino is giving our colloquium on Relativistic Thermodynamics at noon.

Volunteer for Friday, Nov 20th: Zak

Volunteer for Monday, Nov 23rd: Spencer

We discussed phase transition: Minimization of Gibbs free energy determines the stable phase.
