

## Homework 2

Due by class Monday, February 3rd.

Read the [introduction](#) to *Made to Stick* by C. Heath and D. Heath. (Reminder: *Made to Stick* is one of the texts I want you to purchase, so soon I will stop posting excerpts online.) Read the [online excerpt](#) of T. Ferriss' *The 4-Hour Chef*. (I apologize there is some unavoidable and odd formatting at the end of this excerpt.)

To hand in through our shared Drive folders:

1. As soon as you're done reading the *Made to Stick* excerpt write a one paragraph summary of the most important points. For this don't look back at the text at all, just write out the points that stuck with you most. Put it aside.
2. As soon as you're done reading *The 4-Hour Chef* excerpt write a one paragraph summary of the most important points. For this don't look back at the text at all, just write out the points that stuck with you most. Put it aside.
3. Now go back to your summaries and the original texts. By skimming through the texts pull out any points that you also think are important, but that didn't make it into your summaries.
