

Homework 24

Due by class time Monday, May 4th

Readings:

1. Read the [first excerpt](#) of bell hooks book *Teaching to Transgress*. This is about 34 pp.
2. Read Chapter VI of our third and final course text, *Ultralearning*. This Chapter is titled “Principle 3 Directness Go Straight Ahead” and is about 18 pp.

To turn in: There is nothing to turn in for Monday, as senior projects are due. Focus on the reading, and I hope you will bring a point from the bell hooks reading that you want to discuss in class on Monday.
