

Today

- I. Last Time
- II. Polya's How to Solve It
- III. Teaching Videos
- IV. Schoenfeld's TRU Framework
- V. Next Self Experiment

I. Elongated cube problem. How do you find the length of the diagonal?

* Aha/Insight Problems

* The upside distraction

* The Schoenfeld Questions: What am I doing?

What's my plan? Where am I trying to get?

How am I doing?

*Metacognition: e.g. Heuristics, Schoenfeld questions, etc.
